

## Knitting, Weaving and Fibre Arts

Rae Brenne

### My First Sweater

This workshop is an interactive guide on how to go about tackling your first sweater project! From choosing the right pattern, to figuring out which size to knit, finding the right yarn (and right amount), understanding "gauge" and how to get started knitting it! There is a lot of information that goes in to knitting a sweater, but if you know how to knit and purl proficiently, then you can handle it! We will be providing sizing worksheets for everyone to fill in their measurements and will also discuss fiber contents, how to care for your garment once it is completed and storing your piece. Don't let sweaters intimidate you- they are great projects that provide you with hours of knitting fun and prove to be so rewarding in the end!

**Thurs 3:00 pm – 4:30 pm Daisy Room**

Class Fee \$15

### Needle Felted Pumpkins N' Gourds

Ready to try tackling a new craft? Join us for our always popular Needle-Felted Pumpkins N' Gourds workshop and learn the art of stabbing! We will use felting needles, foam mats and wool roving to create adorable fall themed pieces. Use your imagination and create whatever you like! And how cute will these look as a centerpiece for your Thanksgiving table?!

**Fri 12:00 pm – 1:30 pm Daisy Room**

Class Fee \$15

Kit Fee \$10

## Knitting, Weaving and Fibre Arts

	<p><b>Toe Up Socks</b>          Are you an experienced sock knitter looking to try a new technique? Have you ever run out of yarn just before finishing the toe of your sock? Then join us for our toe up sock workshop and try something new! During class we will show you how to cast on for toe up socks and how to use the magic loop technique to knit the entire piece. We will talk about the benefits of this method as well as how to turn the heel and finish the cuff to ensure a proper fit!  <b>Sat 3:00 pm – 4:30 pm Daisy Room</b>          Class Fee \$15          Kit Fee</p> 
<p><b>Daf Summers</b>  <b>Farmable Fibres</b></p>	<p><b>Drop Spindle Spinning Introduction</b>          Before there was a spinning wheel, fibres were spun using a drop spindle. This original fibre tool is the most convenient way to spin anywhere. Using Corriedale sheep's wool in a fabulous array of colours, this introductory course focuses on teaching the Park-And-Draft spinning method. Fibres and drop spindles are provided.  <b>Thurs 9:30 am – 11:30 am &amp; 3:00 pm – 5:00 pm Spinning Weaving Room – Show Floor</b>  <b>Fri 12:30 pm – 2:30 pm Spinning Weaving Room – Show Floor</b>  <b>Sat 9:30 am – 11:30 am &amp; 3:00 pm – 5:00 pm Spinning Weaving Room – Show Floor</b>          Class Fee \$20          Kit Fee \$40</p> <p><b>Tapestry Weaving Introduction</b>          Make a bracelet or a bookmark on a tapestry loom in this introduction to weaving class. In this class you will learn tapestry weaving techniques, freeform weaving, and a Norwegian krokbragd pattern! Enough yarn is provided to complete a full sized sample on the loom (included in Kit Fee). In class lesson - start to (mostly) finished project.  <b>Thurs 12:00 pm – 2:30 pm Spinning Weaving Room – Show Floor</b>  <b>Fri 9:30 am – 12:00 pm &amp; 2:30 pm – 5:00 pm Spinning Weaving Room – Show Floor</b>  <b>Sat 12:00 pm – 2:30 pm Spinning Weaving Room – Show Floor</b>          Class Fee \$25          Kit Fee \$60</p>
